"Financial Outlook for the Dairy Industry" Webinar

**DAIREXNET can provide you with the information needed
for making wise business decisions.**

Featuring our second DAIREXNET Webinar “Financial Outlook for the Dairy Industry”

- November 10, 2008 at 1:00 pm (EST).
- Topics include:
 - Financial Outlook for Dairy – Scott Brown, University of Missouri
 - Managing through Turbulent Times – Geoff Benson, North Carolina State University; Jack McAllister, University of Kentucky
- Each topic will be presented by a keynote speaker for 20-30 minutes each with 30 minute Q&A at the end of the presentations.
- For directions on how to log on visit http://www.extension.org/pages/DAIREXNET_Webinars

What is DAIREXNET?

- Extension-based web resource to help you make decisions for your dairy operation.
- Information which is factual and delivered by experts in their respective dairy fields.

What is a Webinar?

- Webinar is short for Web-based seminar presented over the internet which is similar to a conference room-based seminar.
- Participants view the presentation through their web browser and listen to the audio through the speakers on your computer (You will need to enable your sound card.)
- A key feature of a Webinar is its interactive elements (the ability to give, receive and discuss information).
- If you are unable to attend, the webinar will be taped and available for viewing from the DAIREXNET web site.
