### **Extension Updating Farm Guide and Map**

Cornell Cooperative Extension of Otsego County is currently accepting listings for the latest edition of its Otsego County Guide to Farm Fresh Products. The purpose of the guide is to directly connect consumers with local producers and re-acquaint local consumers with the bounty of fresh, healthy, homegrown foods that exists nearby. To be listed in the guide, farms need to complete and submit a listing form and \$50 payment. New to this edition, in addition to inclusion in the paper version, listings will include farm information posted on an interactive, online map. Deadline for submitting a listing is September 30. To learn more about this project, or to list your farm, please contact Community Educators Sara Ackerman ([sca22@cornell.edu](mailto:sca22@cornell.edu)) or Jano Nightingale ([jn87@cornell.edu](mailto:jn87@cornell.edu)). Both can be reached at 607-547-2536.
