February 6-8, 2008 New England Grows

The 2008 New England Grows Conference & Exposition will be held Wednesday, February 6 through Friday, February 8, 2008 at the Boston Convention & Exposition Center in Boston, MA.

Introducing an Exciting new format in 2008!

Our new format includes an opening day devoted to New England Grows' trademark educational program, including an opening keynote address by Chris Zane, followed by a networking reception on the tradeshow floor to launch the event on Wednesday afternoon. Extended exhibit hours on both Thursday and Friday, along with a streamlined educational program on those days, will enhance the experience for visitors and exhibitors alike.

For more information check the website @ <http://www.negrows.org/>
